

R/EVOLUTIONARY LEADERSHIP COACHING

Lead from Liberation in Revolutionary Times

Executive coaching to lead from liberation

R/evolutionary leadership coaching is a capacity-building program that equips leaders with the mindsets and skillsets to **thrive** in the chaos, terror, and uncertainty of revolutionary and evolutionary times. R/Evolutionary Leadership guides organizations to overcome the dampening effects of oppression, amplify their impact, and leverage chaos for greater impact. Through the coaching process, decision-makers will root into interdependent power, unleash their aliveness, and cultivate confidence in their social identities, histories, and abilities.

R/evolutionary Leadership Coaching Provides

- **Liberatory Education** – *The Liberatory and Organizational Biomimicry framework* to claim your power as a living system.
- **Equity Consulting** – *Thought partnership with an expert* to make impactful decisions, clarify liberatory options, and implement change with abundant support.
- **Liberatory Coaching** – *One-on-one coaching* to overcome internal barriers to success including stress, lack of boldness, identity insecurity, and over or under-accountability.
- **Embodied Practices** – *Time-tested tools* to stay grounded and think clearly while having sensitive conversations, sharing bold visions, and navigating change.

Benefits

- **Increased Confidence** through paradigm-shifting, liberatory education
- **Increased Clarity** through thought partnership with an Organizational Biomimicry expert
- **Increased Capacity** from practicing new skills in a low-stakes environment
- **Improved Performance Overall** in the chaos of r/evolutionary times
